

## English Breakfast

Hi Sim Yana.

I'll tell you today about our English Breakfast.

There were such delicious things. There were Beans in tomato sauce and toast with peanut butter.

And cereal with milk, Sausages and Turkey

sausages. There was also a very good tea

with milk. And an orange juice. That's all.

## English Breakfast

Hi, my name is Cassian and I'll tell you what I ate at the English breakfast. The table was very nicely set and food tasted very very good. What I liked best was scrambled eggs and the jam on the toast and sausage. That was a good breakfast. A lot of praise to the kitchen which made us the delicious food and the school that made it possible.
